

Gamle møntenheder

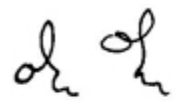

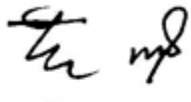

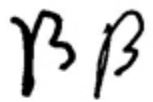

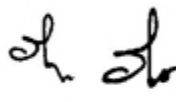

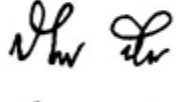

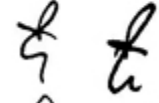

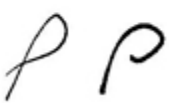

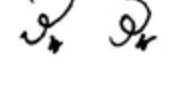

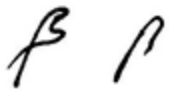

Møntenheder bliver skrevet forskelligt i de enkelte århundreder. De almindeligste beløbsangivelser i skifterne er daler, mark og skilling, senere slet- eller rigsdaler, mark og skilling.

Her kan du finde eksempler på de gotiske tegn der har været benyttet for de forskellige møntenheder.

Billederne er venligst stillet til rådighed af Camilla Luise Dahl/Aneklubben.

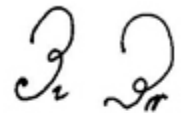

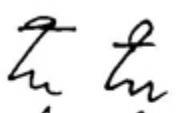

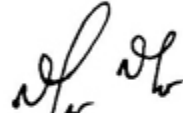

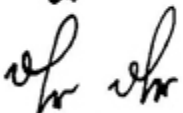

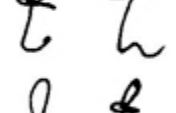

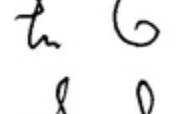

Møntenhederne daler, mark og skilling

16. - 17. århundrede

	daler	mark	skilling
